"VOICE OF THE GLADES"

SR 80 Killer Highway, Committee Tells Legislators

Start from the beginning again please and tell your story to a different audience.

This is what the Canal Safety Hazard committee did Tuesday at Royal Palm Beach, Fla.

The story is one the Glades residents know well. Its opening line is "We need a four lane road and we don't want it over even more dead bodies."

The story was told in human terms by Principal Felton Morris of Belle Glade High School. He related the times he had received word, "a student has been killed, two students have been killed, the parents of one of our students have been killed, in an automobile accident."

In statistics the story was told by other members of the committee.

LeBron Williams, Chairman, asked for help and advice from the legislators and County Commissioners who were present to listen to the story of State Road 80.

There was a new, grim detail of statistics to be presented. Dr. C. L. Brumback, county public health director, has done a study of deaths in Palm Beach County.

In two years, from September of 1965 to August of 1967, 80 persons died in automobile accidents west of 20 Mile Road. This is 15.9% of the total 501 deaths in this area. The state average for automobile deaths is less than 3%. The County average is slightly more than 3%. In the Glades, the study shows, deaths from automobile accidents are five times that in the county and state.

The story will be told again, perhaps to a new audience, perhaps to the same audience. Some day they will listen and the slaughter on State Road 80 will become a historical fact as we travel a new four lane road. This is the aim of the men on the committee and the Glades residents they represent.

GLADES Civic Club NEWS

Pahokee Lions
The Pahokee Lions Club heard Ron Patton of Pfizer Pharmaceutical speak on the role of the industry in research and development of new drugs. The club will hold a business meeting next week. They will participate in the light bulb sale early in October.

Belle Glade Jaycees
The Belle Glade Jaycees will man the booth at home football games for the season. They are also selling pillows for \$1 at home games "until we run out." Fifty seven were sold Friday.
The club is planning a wives night for their meeting next week.

Canal Point Lions
The Canal Point Lions Club met at the Glades Restaurant. The restaurant has been closed but will reopen under the management of Donald and Daisy Edgar said Harlan Sears of the club. Food was furnished by Fr-Eddy's of Belle Glade.
The club is making plans for their annual Thanksgiving Turkey Shoot to be held on the lake. They will participate in the light bulb sale and also voted to again sponsor the Canal Point 4-H Club.

Elks
The Elks have postponed Steak Night. An announcement will be made of a new date when decided.

Belle Glade Rotary
The Belle Glade Rotary Club heard Belle Glade High School Coaches Crawford and Burke Friday.
A guest at the meeting, Lions Club President Jim Graham, proposed that the Civilians, Rotary and Lions hold three joint meetings a year to better coordinate activities. He proposed that each of the clubs would host a meeting. The Rotary Club Board will consider the proposal.

Belle Glade Lions
The Belle Glade Lions heard Bill Burke and Othar Crawford of the coaching staff of the Belle Glade High School. The Coaches brought the football team's captains with them. Next week, Joe Dan Osceola will be guest speaker at the meeting.

Belle Glade Civitans
The Belle Glade Civitans met with Junior Civitans and their guests Tuesday. The Junior Civitans, a group of high school students, are beginning the year's activities.

Ken Mack, the committee's outstanding member, presents trophy and figures to the gathering.

Pendleton To Be Speaker At C. of C. Annual Banquet

Winston K. Pendleton of Windermere, Florida, nationally known lecturer and writer will be the principal speaker at the Belle Glade Chamber of Commerce Awards Banquet to be held October 5, at the Holiday Inn, 7:30 PM.
Pendleton is a former Washington, D.C. newspaper man and public relations consultant. He is a retired vice-president and sales manager of the Universal Dynamics Corporation. He is the author of three best sellers: Pursuit of Happiness, 2121 Funny Stories and How to Tell Them, Aw Stop Worrying.
Pendleton recently won a national award for a series of articles on humor which appeared in Toastmasters Magazine.

In addition to his writing he travels throughout the United States speaking and lecturing on the problems of anxiety and mental stress and strain.

Municipal Golf Club Is Leased

The Municipal Golf and Country Club has been leased in its entirety to Charles R. O'Remus.
The lease is to run for one year with three one-year options for O'Remus.

O'Remus said he would continue to operate the dining room and cocktail lounge and would improve the course.
The city will receive 10% of the gross receipts for all operations except the electric golf carts from which they will receive 5%.

Outgoing Chamber of Commerce Board members are, standing, Bob Lee, Wayne Miller, Wayne Carter, Terry Kirchman, John Schlechter, Fred Mitzan, Charles Leonard, Jim Graham and Donald Fife. Seated are First Vice President, Robert Mahew, President Thomas P. Baker and Second Vice President Charles Leonard.

An Editorial Gone But Not Forgotten

There is little in the above photograph that would identify the scene of a fatal automobile accident. Only a few short weeks ago the twisted wreckage of two autos along with the maimed occupants occupied this small stretch of State Rd. 80.

Today all that remains at the scene are a few pieces of metal and glass, some dead grass and skid marks. Of course in other places of our city there remains the lasting memory of those who perished, and the scarred future of the injured.

We the people of the Glades can not afford to forget, that only by the Grace of God it was not you or I that was involved in that accident. The only way that a four lane highway will ever be built is that we get the backing of all politicians regardless of party.

We do not have the unanimous backing of our own county commission, so how do we expect those outside of our county to be interested. Certainly it is not too much for Glades citizens to expect that the county commission make a formal statement backing the efforts of the Canal Safety Hazard Committee and the Tri County State Rd. 80 Committee.

If this backing is being withheld because of political motives, it is sad indeed. It would have made little difference to those who have perished, to what party the person belonged, that could help prevent future fatalities.

Individual Gets Recognition For Local Highway Problems

Individuals do have some effect!
One person, Ton Toulis, a member of the Tri-County State Road 80 Committee and owner of the Glades Restaurant in Clewiston, sent Governor Kirk a clipping and letter and got the following reply from Jay W. Brown, influential State Road Department Chairman.

The fact that Brown acknowledged the problem and his agreement again fixes in his mind the fact that the Glades cares. More people in Tallahassee need to know this.

Brown had this to say about four-laning 80:

Governor Kirk referred to me your clipping from the Belle Glade Herald detailing the accident on State Road 80 which killed three persons from Belle Glade.

With this aim, I am in full agreement. We proposed a highway improvement program which would include substantial four-laning on State Road 80, as well as multi-laning on nearly every other major primary route in Florida. We have been unsuccessful to date in getting legislative action to present the improvement plan to the people for ratification but we shall continue our efforts.

We need the support of people like you because our need for safer highways is most pressing now and will grow increasingly so until we carry out the necessary improvements.

We welcome the support of you and all other citizens in the battle to finance the proposed \$651 million improvement plan which has been developed by the State Road Department.

The Belle Glade Library will participate in the newly approved County Library Plan.

The plan would return to the participating municipal libraries 15% of their allocations. In addition it would offer many services only obtainable through a large system.

The libraries would, in return, open their doors to all county residents free of charge. This will present no problem to Belle Glade which already serves residents from South Bay, Bean City, Lake Harbor and the surrounding unincorporated areas free of charge.

The city commission approved a tentative plan for the inclusion of the Belle Glade Library in the County System.

Testimonial Dinner Honors Heidtmann

William R. "Bill" Heidtmann, recently appointed Sheriff of Palm Beach County, will be honored at a testimonial dinner.

Net proceeds from the event will go to the Sheriff's Boys Ranch. Donation is \$6 per person. The dinner will be held at the George Washington Hotel in West Palm Beach October 14 at 8 p. m. with cocktails and entertainment starting at 7 p. m.

In the Glades tickets may be obtained from Dr. Thomas Baker or Miss Jane Young.

Kicklighter Defeats Pyfrom

Davis R. Kicklighter, Jr. polled 835 votes Tuesday to defeat Willie Pyfrom with 635.

The runoff election voters total was a record for Belle Glade with 1,504 voting.

The election a week ago drew 1,619 voters. Of these 1,527 were cast in the West Borough race. Thirty four votes did not register on the machine because of electors' mistakes.

Kicklighter polled 606 votes in the election last week to Pyfrom's 615 and Raymond Alton's 312.

Nurses Meet

District No. 45 of the Florida Nurses Association will meet at the Okelochobee Hospital, September 27, 1967, at 7:30 P. M. "Convention Highlights" will be given by the delegates to the convention in Miami, September 18-22. All registered nurses are invited to attend.

Sigma Eta Sorority Plans Activities For Coming Year

The first regular meeting of the year of Omicron Chapter, Sigma Eta Sorority, was held at the home of Mrs. James B. Tyler, with Mrs. Tyler and Mrs. Charles Lutz as hostesses.

A busy evening of planning for the activities of the coming year was conducted by Mrs. Anderson, president. Delegates to the National Convention in Columbus City, Indiana were elected.

In addition to the annual art exhibit in May, the members decided to present a musical tea with the date to be announced later.

Mrs. Minnie Williams was appointed chairman of a committee to look into ways and means of sponsoring a young peoples art exhibit and a new music was established with Mrs. Ruby Jones as chairman. A report was given on the art exhibit held in the Multipurpose Room of the new library, sponsored by Omicron

Mrs. Edgar Sims Given Shower

Mrs. Edgar (Wanda) Sims was honored at a money shower at the home of Mrs. Wayne Bair recently. Mrs. Sims, and two girls have been visiting her parents, Mr. and Mrs. H. M. Mathews for approximately three months, lost all their belongings, including clothes and all household goods in the flood in Fairbanks, Alaska. Even their home will have to be rebuilt.

The money shower was given by Mrs. Sims as she could only take so much baggage on the plane when she returned home on Sept. 11.

The shower was given by the ladies of the church.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Clifford W. Bell of Baytown, Texas announce the engagement of their daughter, Miss Donna Kaye Bell to Richard Oliver Nason (Ron) Halbrook son of Mr. and Mrs. J. P. Halbrook, Jr. of Belle Glade.

Miss Bell graduated from Robert E. Lee High School, Baytown, Texas and Florida College (Junior College), Temple Terrace, Fla. She attended University of Florida for six weeks, completing a study of Bible Geography last July and August. She is presently employed by Gibson's Discount Center in Baytown, Texas.

Mr. Halbrook graduated from Belle Glade High School and Florida College (Junior College) Temple Terrace, Fla. He also attended a six weeks course at the University of Florida on Bible Geography this past summer. He is currently employed by Athens Bible School (Private) teaching in Athens, Alabama and attending Athens College, Athens, Alabama.

A December 26th wedding is being planned in Baytown.

Business Women Adds Three New Members To Club

Belle Glade Business and Professional Women's Club voted three new members into the Club at the September meeting of the group held at the home of Mrs. Eleanor Parker.

New members are Mrs. Eva Kruse, Mrs. E. J. Korny and Mrs. Gretchen York. Mrs. Virginia Anderson was a visitor and 15 members were present. Mrs. Pearl Taylor, presided in the absence of the president.

Mrs. Juanita Croft announced the club members would be responsible for 400 goody bags at the BPW State Board meeting to be conducted at the Palm Beach Tower Hotel, Palm Beach on October 13-14-15. She named a variety of articles that had been donated.

There was also a discussion on the year books and the group voted to sponsor a card party in November as a fund raising project.

MISS CAROL BOTHE

Bothe-Ryan Engagement Told

for April 27, 1968.

Mr. and Mrs. George Bothe of Boynton Beach announce the engagement of their daughter, Carol Bothe to Jack Ryan Mullis, Royce Mayo.

The bride-elect, graduated from Holy Cross School of Nursing and is employed at Mt. Sinai Hospital, Miami Beach, as an RN. The bridegroom-elect attended Boston College and has been employed as Manager of Lindsey Lumber Co., Belle Glade, for two years. The wedding has been set

BIRTHDAY GREETINGS

Today: Tina M. Rhymes
Sept. 22: Laura Lee
Sept. 23: Dean Allford, Judy Mullis, Royce Mayo
Sept. 24: E. F. Weathers
Sept. 25: Janie Ward, Carolyn Grindstaff
Sept. 26: Ted Blauer, Chas Royal, Frankie Sheridan
Sept. 27: Danny Kirchman, Connie Sue Morris.

Hospital Auxiliary Sponsors Scholarships For Four Girls

The Glades General Hospital Auxiliary met at the lovely home of Mrs. Irvin Zump.

Wednesday, Sept. 14. A covered dish luncheon was enjoyed by 30 members and special guest, Mr. Ben Clark, hospital administrator.

Mrs. Homer Hand was the lucky winner of the beautiful door prize.

Mrs. Murray Weeks, auxiliary president presided during the business meeting. Reports were given by the chairmen of the various services offered by the Hospital Volunteers.

Mrs. Weeks explained to members that the auxiliary is now sponsoring three girls in nursing school, the Misses Pat Williams, Lara Livingston and Diane Shiver. A motion was made and passed to accept Miss Linda Lee into the Scholarship program.

Announcement of a night meeting was made by the president to be held on Thursday, Sept. 28 at 7:30 p. m. in the hospital cafeteria. Following the meeting there will be an orientation class for new members at 8:15.

The next general meeting of the group will be conducted on Tuesday, October 10 at 1 p. m. with a dessert coffee at the home of Mrs. John Grady.

Mrs. Tom Baker Gives Program

The Xi Beta Gamma Chapter of Beta Sigma Phi Sorority held their first business meeting of the year Thursday night at the home of Mrs. Frank C. Anderson, with Mrs. Thomas Baker, co-hostess.

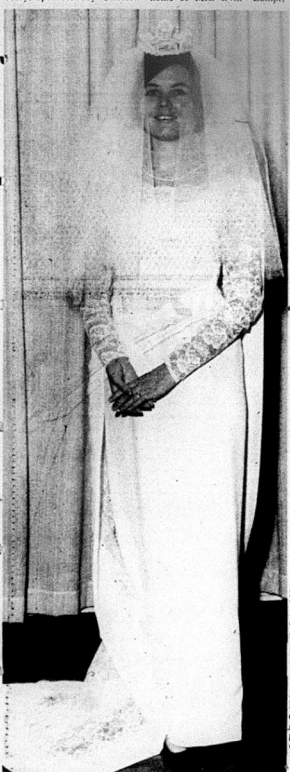

Mrs. Thomas Baker gave an interesting program, "On Being Alive" and "Who We Are".

During the business meeting plans were discussed for several ways and means project. Mrs. Charles Barker, Social Chairman, announced that the social scheduled for Friday night, September 15, was postponed until Friday night, September 22.

It was announced that Mrs. Francis Cross, Jr., and Mrs. Neil DeFamphus would be in charge of the program at the next meeting with Mrs. William Rhodes and Mrs. O'Neal Walker, hostesses.

Refreshments of pineapple delight, mints, tea and coffee were served to the members present.

Refreshments of pineapple delight, mints, tea and coffee were served to the members present.

MRS. JEFFERY I. WOOLEY

Howard-Wooley Vows Repeated

Norma Joanne Howard, daughter of Mr. and Mrs. Harold D. Howard Sr., of Daytona Beach, became the bride of Jeffery I. Woolley, son of Mr. and Mrs. Jeffery I. Woolley, the former Elaine, Wednesday of Belle Glade. The double-ring ceremony was performed at St. Paul's Methodist Church of Jacksonville by Reverend John Lee at 10:30 A.M. August 19, 1967.

The bride wore a floor-length crepe sheath with an empire bodice of meditation lace. Capturing long lace sleeves that tapered at the wrists, portrait neckline and a Watteau train fastened at the shoulders. The head piece, a crown of pearls, was secured to a three tier veil of illusion. The bouquet of cascading roses was centered with an orchid.

The matron of honor was Mrs. William Nixon, sister of the bride. Bridesmaids were

Miffaine Woolley, sister of the groom, and Cecelia Humphrey of Daytona Beach. All three had identical dresses and apple green crepe, empire bodice, short sleeves, cowl neckline, and a Watteau panel that fastened in the back with a large self bow. Headpieces of red yellow daisies matched their nosegays. The flower girl was Sharon Lee Wall, niece of the bride.

Charles S. Doll, uncle of the groom, was best man. Ushers were William Nixon, and Josephine Woolley, brother of the groom. After a short honeymoon the couple will be at home at 830 Arlington River Road, Jacksonville, Florida.

The bride is a graduate of Daytona Beach High School and Daytona Beach Junior College. The bridegroom graduated from Oklahoma City High School and attended Oklahoma University.

Dodson-Schiller Engagement Told

The engagement of Miss Sherry Lee Dodson to James Schiller, Jr., is announced today by her parents, Mr. and Mrs. William Lewis Dodson of West Hollywood, Fla.

The bride-elect is a graduate of McArthur High School, Hollywood. She is a former Belle Glade resident and the granddaughter of Mr. and Mrs. E. Frater of Belle Glade.

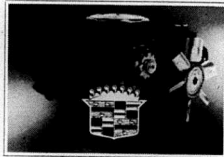

Mr. Schiller is the son of James Schiller, Sr., and the late Mrs. Schiller of Ft. Lauderdale. He graduated from Bedford High School, Bedford, Penn., and is presently attending Dade Junior College. He is employed as a carpenter apprentice.

The wedding will take place at First Presbyterian Church, 6701 S. W. 25th St., Miramar, Fla., on November 4 at 2 p. m.

Shown above is the Cadillac Eldorado, the world's finest personal car; below, the powerful Mustang Sedan, Cadillac Motor Co. Division

And the "inside story" for 1968 starts with the biggest, smoothest V-8 engine ever put into a production motor car.

Brilliant new styling • Dramatic new interiors • Totally new instrument panel • Concealed windshield wipers • Improved variable ratio power steering • New disc brakes available • Wide choice of eleven exciting new body styles.

Now enter a new era of luxury car performance. Cadillac's new 472 V-8 has the greatest torque, or usable power, of any passenger car engine and the newest combination of engine components since Cadillac pioneered the V-8 fifty-three years ago.

You will notice a brilliant improvement in passing performance that in no way compromises the reserve of strength for Cadillac's usual power conveniences. You will also be impressed with its amazing quiet—so remarkable that only its responsiveness reminds you that a great new engine lies under the hood.

Cadillac for 1968 provides, in addition, its well-proved triple braking system with finned drums to deliver smooth, straight stopping power. Front disc brakes are

available for those who prefer the further refinement of an advanced disc and drum combination, and this year they're standard on Eldorado. You may also choose a greatly improved air conditioning system that moves more air more quietly.

Whether your preference is for one of the more traditional models—or the classic beauty of the Eldorado—come in soon and discover new elegance and excitement in luxury motoring!

THE NEW 1968 CADILLACS ARE NOW ON DISPLAY AT YOUR AUTHORIZED CADILLAC DEALERS.

DAVIS BUICK-CADILLAC, INC., 364 South Main St.

Cumpleaños de Zuni Alonso

Con motivo de cumplir quince años, la linda povereta Zuni Alonso, propicio la primera reunión en los Estados Unidos de toda la familia Alonso, el pasado 15 de Agosto, 1967, en Columbus, Ohio. Ella es alumna del High School en esa ciudad.

Zuni fue agasajada con esta simpática reunión, por sus padres Orlando Alonso y Zuni Bermejo, y sus hermanitos Or-

lando y Gloria Maria de 13 y 7 años de edad, y por su abuelo Celia Alvarez, y Nico Bermejo que residen con ella. Hallándose presentes sus abuelos Estrella Mendez y Felix Alonso, su tío-abuelo B'ts Mendez, que fueron desde Miami, sus tios y prima Carmen Menendez y Felix Alonso Jr. quienes fueron desde New York con su hija Cathy Alonso que tambien cumple 15

años el 25 de este mes.

La Sra. Estrella Alonso viuda del Dr. Pedro Alvarez Camp y sus tres hijos: Pedro, Felix y Nicolas, fueron desde Miami; Miriam Rodriguez y Reinaldo Alonso, tambien desde Miami, con su hijo Reyicio, y su sobrina Maria Elena Pazos. De Belle Glade, asistieron Irida Alonso y Richard Ruiz, con sus hijos Ricky e In. Desde aqui le deseamos muchas felicidades.

NACIMIENTOS

Los esposos Rosa Maria Marrero y Ramon Santiago, anunciaron en Septiembre 2, el nacimiento de su hija Sonia, que tuvo lugar en el Good Samaritan Hospital, West Palm Beach, Fla.

En Agosto 31, 1967, los esposos Yolanda y Alfredo C. Gomez, anunciaron el nacimiento de su hijo, en el Good Samaritan Hospital de West Palm Beach.

CUMPLEAÑOS

En esta proxima semana cumplen años las hermanitas Tomeu, hijas de Beba y Enrique Tomeu.

El dia 23 cumple Roseado Petreña, hijo de Marta y Mario Petreña.

El dia 25 cumple años Vivian Martinez, hija de Angelica y Tony Martinez.

Y el proximo dia 28, cumple Tony Alvarez Jr., hijo de Maria Luisa y Tony Alvarez. Felicidades a todos.

PROXIMAS BODAS

El Dr. Eugenio Fornas Hernandez, y su esposa la Sra. Armentas Cuervo de Fornas; el Dr. Luis Carbonell Salvador, y Thais Parjon de Carbonell, invitan al matrimonio de sus hijos Armanita y Luis, que tendra lugar el proximo sabado dia 23 de Septiembre de 1967, en la Iglesia SS Peter & Paul, de Miami, Florida.

BODA RECIENTE

Demetria Sara Gonzalez y Paul Donald Landry, contrajeron nupcias el pasado sabado en la Iglesia All Saints, de Somerville, Conn. La novia es hija del Sr. Miguel Angel Gonzalez y Sra. de la Habana, Cuba. Y es graduada de la escuela de comercio de la Habana.

El novio es hijo de Mrs. Anna Landry, y el fallecido Roy Augustus Landry, de Connecticut. El es graduado del Boston College.

MARTA ARMAYOR

El sabado 9 de Agosto llevo a Belle Glade, via España donde paso seis meses, procedente de Cuba, la joven Marta Armayor. Esta parando junto a sus tios Aida y Alfonso Arias, y con su prima Normita Arias.

JOSEFINE ROMAGOSA La joven Josefine Romagosa, de 19 años de edad, llevo el 28 de Agosto pasado, a Belle Glade, procedente de Cuba, viniendo acompañada por sus

padres Maria Mercedes Hernandez y Cesar Romagosa, quien se halla trabajando en las oficinas del Central Tallisman.

Josephine ha empezando a cursar el 11th grade, del Belle Glade High School.

Sus padres Angel y Matilde Armayor residen en Cuba, en la provincia de Santa Clara.

covering very nicely.

Mrs. Lee Burke of Belle
Glade visited Sunday with her
grandmother, Mrs. C. A. Re-
vels and her great-grandmoth-
er, Mrs. J. W. Wood.

Cheerleaders Practice, Then Perform

The players and coaches
were not the only enthusiastic
group to practice for one of
the most thrilling sports at
Belle Glade High School foot-
ball.

The cheerleaders have been
meeting, practicing, and pre-
paring for the first football
games of the season.

Those on the varsity squad
this year are Captain Kathryn
Smith, Pam Whitlock, Margaret
Thompson, Melissa Hill, Cy-
nthis Theobald, Pat Burkett,
Aggie Gressinger, and Bren-
da Buckner. The Junior Varsity
squad members are Captain

Rosanne Wood, Suie Royal,
Leslie Amerine, Cheryl Bus-
bin, and Lillian Tomsu. Mrs.
Wanda Goggins is the sponsor
for both squads.

Before school started, the
varsity attended cheerleading
clinic in West Palm Beach.
Here, they learned new cheers,
and picked up extra pointers.

The cheerleaders, promote
school spirit, not only on the
field, but around campus.
Every Thursday night you will
find the Junior Varsity Cheer-
leaders encouraging their team
to victory, while the varsity
is at the gym, preparing ban-
ners and posters, to be put a-
round the school.

One of the new cheers this
season is:
Hey! you Falcons
We're out to get 'cha
tonight,
So, hey you RAMS
Let's get 'em with all our
might
So Hey you RAMS
Fight, tonight!

Rampage Photo and Story

FHA Club Plans Party

The Future Teachers led all
of the school clubs by having
the first club meeting of the
year. Plans were made for the
membership drive to begin im-
mediately.

The officers were elected last
spring at the end of the school
year. They were: President,
Marilyn Stokes; President-elect,
Janie Harris; and Secretary-
Treasurer, Kathy Morris.

Two of the English teachers, Mrs.
Judith Laaksonen and Mrs.
Mary Alma Stevenson are the
club sponsors.

A meeting of all members
was held Thursday. Subjects
for discussion were dues, ca-
dette teaching, and a proposed
car wash.

There will be a county-wide
meeting to be held in October.

"Neat" New Snack Bar Is Latest BGHS Fad

By Kathy Morris
Rampage Staffer

Buying "goodies" at the neat,
new snack bar is the latest fad
around the school.

If you haven't found this
groovy new addition, fill your
pockets with change and head
for the cafeteria.

Our snack bar is open be-
fore school, during the break
after school. It is decorat-
ed with gold and blue and our
school crest.

A variety of sweets as well
as milk, and orange juice can
be purchased. You can get all
kinds of ice cream, do-nuts,
little cakes and other packaged
desserts. Some of the comments
so far have been "Great!" "It's
about time!" "Oh, those calori-
es!" and "Hey, lend me a dime!"

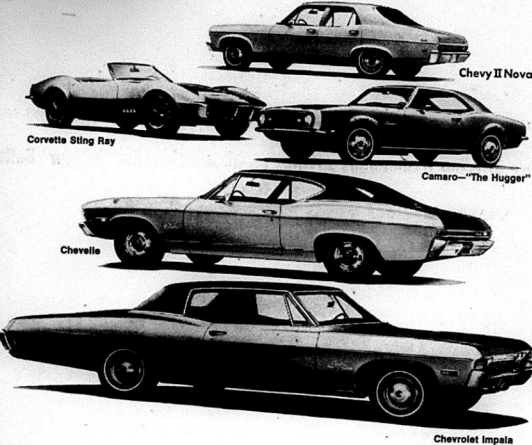

In addition to the snack
bar, our cafeteria has also un-
dergone a few changes. Since
the cafeteria staff is no longer

catering to the Junior High
School, they have channelled
their time and efforts into im-
proving our lunches.

These improvements are a
must but outstanding among them
is the fact we now have
a choice of meat and vegetables
on the lunch plate. Also the
desserts, sandwiches, salads
and extras are served a la
carte.

These "extras" are priced in-
dividually but a centrally lo-
cated menu, price tags and
wise budgeting of eating funds
can help us make our money
stretch through Friday.

**Dramatic!
Distinctive!
Daringly new!**

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very
essence of modern design. Every-
line, every curve is in close harmony. It's a
smooth, uncluttered look with root
grilles compatible with body lines.
Rims and bumpers that blend grace-
fully into long rounded fenders. Clean,
flowing, beautiful in their simplicity,
these '68 Chevrolets are rich and ad-
vanced in styling beyond any you've
ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every
length to give you more peace and
quiet inside. The most sophisticated
computers have been used to strate-
gically place body mounts and suc-
cessfully isolate noise and vibration.
Shock absorbers have been improved.
The wheel stance on many models is
wider for greater smoothness. Ex-
haust systems have been redesigned
to make them whisper-quiet. Even the
clocks tick more softly. A sound car is
a silent car. The '68 Chevrolets are the
most silent, highest quality cars we've
ever built.

BETTER PERFORMANCE
There are new engines, a bigger
standard six and V8. There's a new

250-hp V8 you can order that runs on
regular fuel. Many new engine com-
ponents increase dependability and
keep your new Chevrolet running
stronger. There's a new rear axle
ratio you can add for greater econ-
omy. On most engines equipped with
automatic transmissions, there's a
special heater for the carburetor
which gives you more efficient per-
formance in cold weather. And with
every engine, you get the new GM
exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventila-
tion, called Astro Ventilation, for Ca-
maro, Corvette and the elegant Ca-
price Coupe. It's also available on
many other models. By opening two
new vent-ports on the instrument
panel, you bring in outside air that
can be directed where you want it.
This way, you can leave your windows
rolled up and add still more to your
peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed
energy absorbing steering column,
folding front seat back latches, dual

master cylinder brake system with
warning light, plus many more new
features. Among them: energy absorb-
ing front seat backs, and safety arm-
rests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal
and graceful, others sporty and quick-
There are new instrument panels,
richly designed and all controls within
easy reach. There are new interiors,
new vinyls, new fabrics, new colors.
There are models with Hide-A-Way
windshield wipers and headlights that
disappear behind grilles. There are
new side marker lamps, new recessed
tailights. There's even a new ignition
alarm buzzer that reminds you not to
walk away and leave your keys in the
car.

These are the newest, the most differ-
ent, the most dramatically changed
Chevrolets ever. And they're at your
Chevrolet dealer's now. You'll thor-
oughly enjoy shopping behind the
wheel, experiencing the smooth new
handling and library-quiet ride, and
more than anything, seeing and feel-
ing the even greater safety built into
every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

THE CHEVROLET

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

Class Presidents, from L to R, Senior — Julio Perez, Junior: Buddy Wilder, Sophomore, Sonny Crawford.

Three Classes Elect Officers

The football team was well represented in the elections of class officers and sponsors during the first week of school. Those students elected to senior class officers were Julio

St. Council Plans Projects For Year

The Student Council met last week to plan its projects for the beginning of the school year. Some of these plans are to buy new flag stands, set up a trophy case in the cafeteria, sponsor a club-of-the-year trophy, promote school spirit, organize the school supply store, encourage more participation in the lunchroom program, and organize a homecoming festival.

Representatives were chosen from the senior, junior, sophomore and freshman classes. They were: Senior Class — Barbara Williams, Joanne Harris.

Junior Class — Ann Thompson, Brenda Buckner. Sophomore Class — Leslie Ametina, Lillian Tomasi.

The Student Council was among the first clubs to meet this year. One week before school began the officers and a few representatives met to organize handbooks for new students attending the high school. These books consisted of a list of school rules and regulations, proper dress, school clubs and activities, and a general map of the school. The only change in school regulations was that girls could wear their dresses a few inches shorter this year.

Last spring officers were elected by the student body. They are Pres. Andy Ballard, Vice-Pres. Pam Whitlock, Sec. Jill Bowen, and Treasurer, Margaret Cross. Joseph Hayes, D.C.T. director, is the sponsor of this club.

Out And About

FAD — Going to the game **EXPRESSION** — Oh! I hate school. **CAR** — Dennis C's Fairlane **SONG** — "Little Ole Man" **COUPLE** — Margaret T. & Jorge R. **FLIRTS** — Leslie A. & Gary C. **MOVIE** — Eldorado **PERSONALITY** — Buddy W. & Mary Helen F. **BEST DRESSED** — Dick H. & Barbara D. **EYES** — Bruce B. & Judy W. **SMILE** — Mark W. & Karen P. **NEW LOOK ON CAMPUS** — Snack Bar. **CLASS PEST** — Gary Resnondo and Gladys Williams. **V. V. RAM OF THE WEEK** — Eddie McGilgour.

We hear a new couple has developed on campus, it is that right, Susan B. and Kent K. There are two sophomore boys who are quite shy, how about it Sonny C. and Ronnie H.?

8 New Teachers Began Year at Belle Glade High School

This year the students and faculty welcome eight new members to Belle Glade's teaching staff. Together with the twenty-four returning teachers, they will help to round out the faculty.

Mrs. Sue Teets
Mrs. Sue Teets, the Senior English and Journalism teacher, has been a resident of Belle Glade for three years. She attended Wesleyan College in Georgia's Fla. State University where she received her B. A. Besides having three children to keep her busy, she also sponsors Beta Club, the Ram Page, and the Rambler.

Albert Ford
From Southeast High School in Bradenton, Florida, Belle Glade High School acquired in agricultural teacher, Albert Ford. He is also the sponsor of F.F.A. Fishing and hunting are just some of his many outdoor activities. Ford is married and has three boys.

Miss Regina Powell
Miss Regina Powell teaches

New teachers L-R: F. Row, Mrs. Brannan, Miss Powell, Mrs. Teets, Buck Row, Mr. Mayberry, Mr. Hornish, Mr. Ford, Mr. Murphree.

Junior English and French I and II, besides being Pep Club sponsor. She attended Belhaven College in Mississippi and previously taught in Cleveland, Florida. This summer Miss Powell went to England where she visited relatives.

Thomas Murphree
Thomas Murphree teaches Chemistry, Physics, and Biology, besides being the sponsor of Interact Club. He attended the University of Mississippi and Southern Mississippi. Before moving to Belle Glade he taught at Seminary High

School in Mississippi. Mr. Murphree is the father of three children.

Mrs. Patricia Brannan
Mrs. Patricia Brannan, a graduate of the University of Miami, is substituting for Mrs. Evans in Spanish and Junior

English. Before moving to Cape Canaveral, which is now her home, she lived in Costa Rica. Mrs. Brannan is in the real estate business, but is also interested in progressive education.

John Mayberry
John Mayberry is the new speech teacher and Senior play sponsor. Coming to Belle Glade from Georgia he enjoys drama, swimming, and traveling.

Donald Hornish
Donald Hornish is the latest addition to the coaching staff for the football team. He also teaches Biology and Physical Science. He came from Ohio and attended Bowling Green College. Coach Hornish plans to continue his education and to get his masters. Degree. He has two children.

James Johnson
James Johnson, Industrial Arts teacher, comes to Belle Glade from Clarkdale, Miss. He attended college at East Mississippi Junior College and Mississippi State University. Johnson is married and has one daughter.

Lake Shore

Good Year Is Seen By Principal

By Principal McCurdy

The opportunity is taken here to welcome all members of the Lake Shore family as we begin our 1967-68 school year.

The administrative staff and faculty constantly strive to provide meaningful learning experiences and seek to develop boys and girls who will use their knowledge, energy, and skill for useful objectives.

The Bobcat Page, which has been produced by members of the student body during the past three school terms, is a concrete example of student achievement. Such an achievement is symbolic of your ability to work and accomplish worthwhile goals.

With the assistance of the combined talents of all members of the Lake Shore Family, we look forward to a year of educational progress.

Students Welcome

I am sure that after a summer of recreation, travel, relaxation, and other wonderful things that space will not allow me to mention, we have returned to the dear walls of Lake Shore High, thirsty for knowledge and eager to resume our courses of study.

Our teachers and administrators have spent many endless hours in preparation for our return. Therefore, fellow Lake Shores, let us prove to them that we appreciate their efforts by returning to our classes and making a most honest effort to do our best at all times.

I urge you to make this a year to be remembered by all in the line of discipline. I am of the opinion that the man who discipline himself receives greater satisfaction from life. Let us work toward the goal of self discipline this year.

As your president, I can assure you that the Student Council will do its utmost to

merit the confidence you have placed in us. Therefore, I firmly believe that with God's help and your support, we can make this the best year in the history of the Student Council.

President of Student Council
Curtis Lee Pierce

Bobcat Lost To Carver High Friday, 9-6

On Friday night, September 15, the Bobcats journeyed to Delray to play the Carver High Eagles.

Lake Shore kicked off to Carver with a scoreless first quarter. Carver set the pace with a field-goal in the middle of the second quarter.

By halftime, Carver had scored 3 points over Lake Shore.

The second half got on the way, with a 55 yard touchdown by Carver, leaving the score 9-0.

Later in the third quarter, Charles Walker, received a touchdown pass from quarterback, Freddie Allen.

There was a scoreless fourth quarter and the game ended with Carver leading nine to six.

Sports Editors
Alton B. Jones
Curtis L. Pierce

Willie Pyfrom Will Direct LSHS Band

Willie Pyfrom, formerly the band director at East Lake School for seven years, has now joined the Lake Shore Family.

He was born in Miami, Florida, a graduate of Everglades Vocational High School, furthering his education at Florida A & M University with a BS degree in Music and did advanced work at the University of Minnesota. As his assistant to the majorettes, he has B. L. Alexander, a graduate of Florida A & M University.

Presently the band is moving at a rapid pace, with such music as Big Band Bossanova, Marching the Blues, Fanfare, March No. 1, and Tijuana Taxi. The Band consist of approximately 39 members.

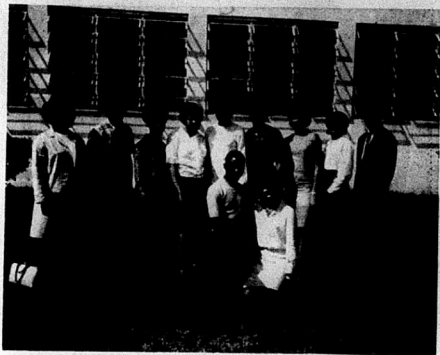

Football Team Looks Good

The members of our senior varsity football team have been practicing for the past month.

A few good players were lost last year.

Coach Alonzo Veenen said that the defensive team looks promising this year. If there are no injuries they should do well in holding their opponents scores down.

Couch Willie James Irvin feels that the team is ready mentally as well as physically. Couch Dennis said the team is up tight and ready to go.

The executive members of the Lake Shore Bobcat Page from L to R, Sponsor, Mrs. E. Peete; Willie Howard, Elzora Putnam, Mary Nelson, Edna Johnson, Sally Cameron, Daisy McCoy, Sharon Butts, Curtis Pierce, Kneeling are, Gloria Butts, Editor and Johnnie Luane, Co-editor.

Staff Will Collect And Print News

Readers, I am Gloria Butts, your Bobcat Page Editor for the coming year.

I am a member of the senior class and I have had two years experience as a member of this organization. I have vowed to

myself and I am vowing to you, to collect and print news to the best of my ability. I have faith in myself to fulfill my duty as editor, and I hope I can instill this feeling among all our readers.

As you know, the purpose of the school newspaper is to collect and print news concerning the activities of our school and students that we think will be of interest to you, the public. It is up to you, the students, at Lake Shore to make the news. Without your full cooperation, we cannot have news concerning you.

This year, the Newspaper writers will give every home-room and campus organization the opportunity to let the readers know what it is doing as a group. All grades will be included in each page weekly. For the benefit of the junior high students, we the members of the newspaper and senior high department, feel that you should be made known to the public and made to feel that you, too, are truly a part of the Lake Shore High Family.

The following staff members were chosen because they are well qualified to "find the news," and "write the news." I do have a great deal of trust and confidence in these staff members. These members have had experiences and therefore are aware of their duties.

Please show us that you're interested in your school happenings and show us you're a "loyal Bobcat" by purchasing a newspaper each week.

Principal Charles McCurdy Introduced Nine New Teachers

New teachers were presented to the school by principal, Charles McCurdy, at a special assembly held on Thursday morning, September 7.

The new instructors and Bobcats W. Kight, graduate of Gibbs Jr. College, textbook clerk and secretary.

Thomas C. Newton, a graduate of Florida A & M, an instructor of Agriculture.

Benice Rhodes McCrae, graduate of Florida A & M, teaches English.

Blanche Lyons, an alumni of Florida A & M teaches Physical Education.

Bobara W. Kight, graduate of Gibbs Jr. College, textbook clerk and secretary.

Thomas C. Newton, a graduate of Florida A & M, an instructor of Agriculture.

Eugene Harrison, a graduate of Tennessee A & T, teacher of American History and Civics.

Willie Robert Pyfrom, a graduate of Florida A & M, Band Director.

Beverly Joyce Thomas, graduate of Bethune Cookman College, Health Instructor.

Presently teaching B.S.C.S.

Willie Robert Pyfrom, a graduate of Florida A & M, Band Director.

Campus A-GO-GO

The latest and the most almighty expression around campus "Gimmie some skin" is "way out and I mean out there. Man you should make it an appointment to visit that "College Review Math Class" in room 105 during the 4th hour. It will raise EVERY hair on your head!

Still walking in the moonlight is that well known and well advertised couple Leonard Charles Walker and Daisy Delores McCoy.

Up! Up! Up! then tomorrow Down! Down! Down! goes the mini skirt.

Have you ever taken the time to notice the girl who wears all the latest young girl's styles from Red Shutter and that neat guy in Levi's and Joseph's special? For those who are still wondering there are none other than Sharon Singleton and Sylvester Anderson.

It's a navy blue two door 1966 Cyclone GT, with those ever popular tiger stripes from front to rear belong to that senior guy James Whitaker.

Did you notice Ken Carpenter who says he doesn't look a day over 90 in his "Second Hundred Years" (T. V. Program).

I know you teachers have been wondering just what Chick, Rita Brown, Chichi and Mary Cooper, have been doing when they shake their hips from side to side, well the battle of the brains is over its the hippy and latest dance called the Shinning.

The only organization that THINKS, WRITES, and TYPES at all times, the activities in and around campus is that well informed organization the "Newspaper."

Constance Monson, don't worry about all those guys who reel over when they see you. It's just that those hair-styles of yours are so out-of-sight.

I would like to share these words of wisdom by Colton with you; and I trust that you may profit by them as I will strive to do. "The only thing in which we can be said to have any property are our actions. Our thoughts may be bad, yet produce no poison; they may be good, yet produce no fruit, our riches may be taken from us by misfortune, our reputation by malice, our spirits by calamity, our health by disease, our life by death, but our actions made follow us beyond the grave."

It is, therefore, my desire to live by Colton's idea.

'68 Buick. Now we're talking your language.

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The new 230-hp., V-8 engine runs on regular gas. It's standard on all Skylark Custom models.

We also refused to limit your choices. Skylark Custom comes in four models, 15 colors and 32 trim combinations. So talk to the man who talks your language, your Buick dealer.

All Buicks have a full line of General Motors safety features as standard equipment. For example, side marker lights and energy-absorbing steering column.

Wouldn't... really rather have a Buick?

The '68 Buicks are at your Buick-Opel dealer's now. He's ready to talk your language.

KENNETH P. KIRK Gets Promot

Another promotion received by Kenneth P. man son of Mrs. Ruth man formerly of Belle Ken has a staff position Headquarters of National Register. He is National manager for all install pators in United States Canada. He travels all over country and acts as a shooter for the company. The Kirkmans have moved from Boston, to 437 Greenboro Dr., ton, Ohio. Even though I been away from Belle for years, Ken and his enjoy getting the Belle Herald. They have been scribes for 10 years.

Miss L.S.H.S. Welcome All Back To School

Words cannot express the pleasure that is felt in my heart as I go about my daily activities as Miss Lake Shore Jr.-Sr. High.

Although my heart is beating with pride, I also realize the great responsibility that has been given me. My foremost desire and ambition is to live up to the expectations of you, my fellow school mates.

As I vowed in my campaign address, "I will do all that is within my power to justify your faith in me."

It is indeed a pleasure to have this opportunity to extend greetings to all members of the Lake Shore Family and welcome you back for the 1967-68 school year.

I would like to share these words of wisdom by Colton with you; and I trust that you may profit by them as I will strive to do. Gove PTA Met Monday

Gove Elementary School held its first PTA meeting for the 1967-68 school year in the school cafeteria Monday night. It was the organization's "Get Acquainted Meeting."

Mr. R. H. Cooper, President, presided, and introduced the Officers — Mrs. J. R. Cunningham, Vice President; Mrs. F. W. Cross, Treasurer; Mrs. James Herring, Recording Secretary; Mrs. Douglas H. Thompson, Historian.

Committee Chairmen were also introduced: Devotional, Mr. Jim Conway; Health, Mrs. G. W. Hair; Home Room Mothers, Mrs. Clarence Pate; Hostess, Mrs. Jim Conway; Library, Mrs. T. W. Casselman; Membership, Mrs. Felton Pittman, Chir. Mrs. W. L. Cunningham, Jr.; Mr. Joe Clayton, Pre-School, Mrs. Willford Markham; Publications, Mrs. Kenneth Bass; Publicity, Mrs. Thomas Heran; Safety, Mr. James Herring.

The important position of Delegates to the County Council were named and voted on. They are Mr. Bill Bailey, Mrs. Pat Smith, Mrs. Thomas Heran, Mrs. M. M. Crooby, Mr. Dudley Barnes, Mrs. Francis Cooper, Mr. Vic Zawadzki, Mr. Billy Cowart, Mr. Charles Hickman.

Mrs. Thomas Heran gave a short talk on the importance of maintaining a good relationship on a county level.

It was voted and agreed to send \$25.00 from the PTA of Gove to the Belle Glade Library.

Mr. Cooper introduced Mrs. Mabel Lutz, principal who told about the special opportunities that were opening for the children this year and discussed the function and operation of the school. She also introduced the teachers and staff of Gove.

Announcement was made that volunteers are needed for the following: A Chairman for the October Halloween Carnival, Gray Ladies, and aides in the Perceptive Reading Program.

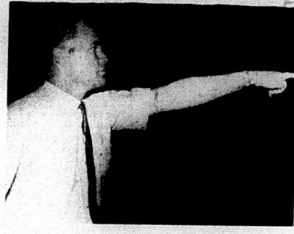

Juv. Counselor Speaks To Junior Woman's Club

Mrs. A. E. Shackelford, Juvenile Counselor was guest speaker at the regular meeting of the Junior Woman's Club Tuesday night at the Civic Center. Introduced by Mrs. Lynn Corbin, the speaker gave an interesting talk on "Juveniles of Today."

Mrs. Robert Hooker, president announced the theme for the year is "Our Children Citizens of Tomorrow." The club received a lovely thank you note from Mrs. J. A. Winchester, Chairman of the Belle Glade Municipal Library.

Mrs. Noel Campbell, Sunland Chairman told the group the club is sponsoring another child, Robert Mc, who will be 12 years old Dec. 28. On Oct. 3, members plan to give afternoon, working with the club's other adopted child, Margaret C., a birthday party at Sunland Training Center. She will be 13 year old.

It was announced the club will have a tupperware party at the home of Mrs. Horace Harris on Sept. 23. Calling hours are 10 a.m. to 12 a.m.

Coach Burke, on sidelines, questions referees who deliberate about play.

A mad scramble for loose ball

Rams Began In August

By Jim Baker

Rampage Staffer

On a hot Tuesday morning in the middle of August nearly 70 boys showed on campus with hopes of playing football.

Some are gone but most of them are still out there, every afternoon, working with the kind of spirit that will win games for them and the "Blue and Gold."

Of the 33 man varsity 25 are seniors, many outstanding men returning for their second or third year.

This year's captains, Julio

Perez and Terry Mann are two such seniors.

Julio Perez is a 5 foot 11 inch 220 pound left guard, and defensive linebacker. He will wear jersey 50. In the last past two seasons he has been a consistent offensive lineman and one of the most outstanding defensive men on the team. Last year Julio was selected as defensive middle linebacker on both the all-conference, and all-area teams. His other activities were, a year of "B" team Basketball, 3 years of baseball, and a letter last year in track. He was also responsible for setting a new school record in the shot put of 45' 3/4". The record was 44' 8".

Terry Mann is a 6 foot 170 pound senior who will wear number 42 and will run at offensive and defensive halfback. Other duties he will assume are handling punts, and extra points. When we asked Terry what he thought was his most outstanding moment he said, "When I make a touchdown." Among his other activities he was selected all-conference and all-area in baseball last year.

This year has the makings of one of the best in the history of the school, and the captains that the team selected are the leaders to aim them in the direction.

Mr. and Mrs. V. A. Boots made a hurried trip to Berlin, Wisconsin after Labor Day to try out a lettuce machine. They returned more leisurely stopping to take a boat tour of the Wisconsin Dells. They also made a side trip through Crystal Cave in Chattanooga. The weather in Wisconsin was very cool, with frost in the mornings Mrs. Boots said.

B Team Wins 19-8 Over Stuart

By Rampage Staff

The Belle Glade Golden Rams B team opened their season last Thursday with a 19-8 victory over the Stuart Tigers. No real action was seen until the Tigers scored two points on a safety at the end of the second quarter. The first half ended with the Tigers 2, Rams 0.

In the third quarter the Rams offense came alive with long runs and outstanding passes. It began when Hallback Charles Johnson scampered off tackle 54 yards for a touchdown. The extra point was missed. Two minutes later Jack Prevatt scored another touchdown for Belle Glade after receiving a pass from Charles Close. The final touchdown made by the Rams was a 40 yard run by Hallback Eddie McGlamory. The extra point was made on a pass from Close to Johnson.

Later Stuart intercepted a pass to run 45 yards for a touchdown. The extra point was tried twice because of a penalty, but it was a failure both times.

The Rams defense showed great strength as they stopped four Stuart drives within their five yard line.

If the Rams can repeat their performance tonight their second game should be a hard-hitting and exciting battle with Boca Raton. The game will be played here at 7 p. m.

WHAT YOU ARE
You are an American
You stand for God and Country

You stand not alone when you stand for God and Country

KENNETH P. KIRCHMAN Gets Promotion

Another promotion has been received by Kenneth P. Kirchman son of Mrs. Ruth Kirchman formerly of Belle Glade. Ken has a staff position with Headquarters of National Cash Register. He is National Sales manager for all installed computers in United States and Canada. He travels all over the country and acts as a trouble shooter for the company.

The Kirchmans have recently moved from Boston, Mass., to 437 Greenboro Dr., Dayton, Ohio. Even though he has been away from Belle Glade for years, Ken and his family enjoy getting the Belle Glade Herald. They have been subscribers for 10 years.

Mrs. Weeks

Mrs. B. E. (Rapley) Weeks entered Glades General Hospital Tuesday evening following an accident at her home, in which she suffered injuries to her leg. She was getting along as well as could be expected on Wednesday a.m.

America the Beautiful... Is Everybody's Job

It's the job of every family that spreads a picnic on a roadside table.

It's the job of every boatman who cruises the lakes and waterways.

Every driver, every walker, every flyer.

That's why our Association throws its wholehearted support each year into the Keep America Beautiful campaign.

Lovely country we have here. Let's keep it that way.

Weed control in sugarcane with Atrazine frees labor for other work.

You can reduce or even eliminate the need for costly hand-hoeing of weeds in young sugarcane by spraying with Atrazine herbicide. That's all it takes to give you seasonal control of most annual broadleaf weeds and grasses, including lamb's-quarter, pigweed, Spanish needle, crabgrass, alexandergrass, goose grass, purslane and portulaca.

Weed control like this enables you to use what labor you have for planting and harvesting. Allows you to handle more acres of cane with the same labor supply.

The idea is to spray Atrazine before weeds emerge. Then, once rainfall has moved Atrazine down into the weed root zone, the herbicide keeps killing weeds as they germinate. Atrazine is relatively safe to cane.

See your supplier now for the Atrazine you need to give your sugarcane a clean start without costly hand-hoeing.

Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Saw Mill River Road, Ardsley, New York 10502.

MEN IN SERVICE

Addison

Marine Private Raymond C. Addison, son of Mr. and Mrs. Milton R. Addison, 1017 N. E. Ave. K, Belle Glade, is going through recruit training at this Marine Corps Recruit Depot.

His first stop when he arrived here was the Depot's receiving barracks where all new recruits are processed. Here he received his first issue of Marine uniforms, the equipment he will use in training, and his first military haircut.

After being placed in a training platoon with other new recruits, he left the receiving barracks and began his formal Marine training under the close guidance of his Drill Instructors, or "D.I.'s." Under his guidance, eight weeks after he entered "boot camp" these seasoned Non-Commissioned Marines will guide and supervise his progress in physical conditioning and development, rifle marksmanship, and other skills which he must master to be a Marine.

From a Man in Service . . .

The article below was written by David Lemar Nall, EON 1, a former Belle Glade resident, now at Jim Creek Radio Station, Osa, Washington, where he is stationed.

Nall, son of Mr. and Mrs. H. J. Martin, Belle Glade, attended Belle Glade High School, before enlisting in the Navy. C. B.'s thirteenth years ago.

He has been assigned to a year's duty at Da Nang, South Vietnam, and is presently in Osa, Washington with his wife Vienna and three sons, David Michael, 7, James Allen, 5, and Richard Lamar, 4.

BREAKFAST WITH THE WHEELS

When I use the word "wheels" I use the word literally. The breakfast was given by J. D. Brannon, Mayor of Seattle, honoring Alan R. Boyd, Secretary of Transportation, under President Johnson.

The mayors of Renton, Bellevue, the President of Fordward Thruway, the 13th Coast Guard District Admiral and representing all the transportation industries in the Puget Sound area were present. These are the people that operate the railroads, planes, build freeways, run metropolitan transportation systems. All these people make the wheels turn here in Washington state. I had to roll out at 0430 to get ready and drive to Seattle for the breakfast. Of course, as soon as I got there, I entered through the wrong doors. I didn't know anyone there except Mr. Cook, Whiteley Safety Officer and Mr. Bob Miller, 13th Naval District Safety

The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials for the projects are made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the knowledge and guide the Vietnamese people in carrying out these projects.

Prevah

Airman Third Class James A. Prevah, son of Mr. and Mrs. H. M. Prevah, of Bean City, Fla., is on duty at Camp Rahn Bay AB, Vietnam. Airman Prevah, an air passenger specialist, is a member of the Pacific Air Force which provides offensive-defense air power for the U. S. and its allies in the Pacific and conducts air operations in Southeast Asia.

Before his arrival in South Asia, he was assigned at Charleston AFB, S. C. The airman is a graduate of Belle Glade (Fla.) High School.

Dell

Marine Corporal Julian B. Dell, son of Mr. and Mrs. J. Y. Dell of 1801 West Lake Road, Belle Glade, was promoted to his present rank at Camp Lejeune, N. C. while serving with the Second Force Service Regiment.

His regiment is a unit of Force Troops, Fleet Marine Force, Atlantic. The Second Force Service Regiment provides support logistic support to a Marine Division, Marine Aircraft Wing, and Force Troops units.

As a part of the training of the Fleet Marine Force, his unit constitutes a major source of heavy combat support and specialized technical support for the Eastern arm of the U. S. Marine Corps.

Maxwell

Pahokee — Specialist E-4 John Maxwell has returned to Ft. Benning, Columbus, Ga., after having a 30 day leave with his parents, Mr. and Mrs. Ernest Maxwell in Pahokee. Maxwell will continue his active duty, and will be discharged in January. He plans to enter Indian River Junior College at Ft. Pierce after his release.

Western

Pvt. Jack Western, son of Mr. Alden Western of Belle Glade graduated on Sept. 18 from basic training at Parrish Island, S. C. He will be home on a 21 day leave in October and expects to be stationed here in Hawaii for three months before going on to Vietnam.

Western attended Belle Glade High School before entering the service with the U. S. Marines.

Representative. I didn't sit with them. So I was with total strangers.

I'd worn Dress Blues that morning and everyone around me had \$200.00 suits on. At first I felt my dress wasn't appropriate, but then I got to thinking that my uniform represented the United States Navy and I became more proud of it than the \$200.00 suits.

About this time the gentleman next to me introduced himself. I forgot his name, but he was head of some department with Boeing Aircraft Company. When I told him my name and where I was from, I sounded like a machine.

You know, while I sat there listening to Mr. Boyd talk wonderful country when an ex-cowboy, now enlisted man, could even get inside the building, much less eat breakfast with men of this caliber. If I'd been in Red China I'd thought it just an honor to be able to sweep the street where these men walked.

I felt terribly uncomfortable to start with and, of all things, my wife had fed me dry beef the night before. Well, I don't have to say I sat in pines and needles the whole time.

Mr. Boyd congratulated the Puget Sound area on their transportation system. Plans for freeways and new metropolitan transit. He also said that the 1968 autos would have more safety features. He then covered the mobility of people and cargo in the U. S. and around the world.

Even after all this, the breakfast was large and worth the \$2.50 that I had paid, just like the rest.

Belle Glade Red Cross Emergency Shelters for use in case of a hurricane were announced by Disaster Chairman Doug Wooten. The first four shelters to open will be: Belle Glade Elementary School, Lake Shore High School, Okeechobee Center Nursery, Okeechobee Recreation Hall.

If these fill, additional shelters will be opened and radio will keep you informed of which shelters are filled and which are open. Additional shelters are:

Belle Glade High School, Glade View Elementary School, Gove Elementary, Belle Glade Junior High School.

Wooten said, However, plans are to reserve the Armory for possible hurricane disaster and if the hospital fills to use this facility for over flow patients.

Protect Yourself

Hurricanes can inflict heavy damage on both the indifferent and unimpaired. It is not adequately protected. The key to protection is preparation. By taking sensible measures before, during, and after a hurricane, you can guard yourself, your family and property against its violence. Most smaller boats can be hauled out of the water and put on a trailer. After stripping off the accessories, raise the air out of the trailer tires, and lash it down. A boat moored in water should have enough slack in the line to allow for pitching or rising seas.

Boats should not be over-loaded, since they can be sunk or damaged quite easily. Most smaller boats can be hauled out of the water and put on a trailer. After stripping off the accessories, raise the air out of the trailer tires, and lash it down. A boat moored in water should have enough slack in the line to allow for pitching or rising seas.

The best place for a larger boat to weather a hurricane is in an inland creek or canal. Before securing, position the craft away from docks, pilings, or overhanging trees. House windows are vulnerable to either flying debris or wind pressure. Board up, tape, or put storm shutters on both large and small windows. Although tape may not keep a window from breaking it is an effective way of preventing flying glass.

When the wind starts blowing, says Pettis, open a window on the side of the house away from the wind to equalize inside and outside pressure. After you crack the window, line it with towels to absorb water. A hurricane may cause prolonged power or water failure. Pettis recommends that all families stock up on the following articles prior to a storm: several flashlights, candles, a gasoline camp stove or canned heat, a battery-powered radio, and batteries. Buy food that requires no refrigeration and little preparation. Make sure you have plenty of water for drinking and bathing.

Frozen food in a home freezer can remain safe if measures are taken in advance of an imminent storm. Turn the cold control to its lowest setting as insurance against a power failure. A freezer should keep food in satisfactory condition up to 36 hours, provided it is kept closed. If the power goes out, wrap the freezer in blankets to insulate the cold.

When a "hurricane warning" is issued, Pettis says that everyone in this designated zone should immediately take all possible precautions. Once a "warning" has been announced, there's time to prepare but no time to waste.

When a "hurricane warning" is issued, Pettis says that everyone in this designated zone should immediately take all possible precautions. Once a "warning" has been announced, there's time to prepare but no time to waste.

WILLIE R. PYROM

Wishes to express his gratitude for your voting support in the run-off election Sept. 19, 1967.

With storms of hurricane and near hurricane force forming at last of the hurricane season, it is still possible that Florida might be hit this year. If so routine precautions can save lives and property.

AS SOON AS THERE ARE DEFINITE INDICATIONS THAT A HURRICANE IS FORMING, EVER THOUGH IT IS THOUSANDS OF MILES AWAY FROM THE FLORIDA COAST, THE STORM IS GIVEN A NAME AND THE WEATHER BUREAU BEGINS ISSUING "ADVISORIES." THESE ARE ISSUED FREQUENTLY THROUGHOUT THE DAY AND NIGHT AND TELL YOU THE STORM IS, ITS INTENSITY AND ITS SPEED AND DIRECTION OF MOVEMENT, SO, CLIP AND SAVE THIS MAP — AND USE IT DURING THE CURRENT HURRICANE SEASON.

Map furnished by the University of Florida Institute of Food and Agricultural Sciences.
